UPDATE

The Department of Surgery Update is sent to department faculty, fellows, residents, and staff. To submit an item for publication in Update, send the information to surgupdt@umn.edu.

PRESENTATIONS

On October 2, 2013 Dr. Henry Buchwald participated in an Executive Panel Session at the University of Minnesota Medical Device Industry Class – a course dedicated to the study of metabolic conditions and medical devices.

Dr. Buchwald presented a Scientific Paper at the American College of Surgeons Congress on Wednesday, October 9, 2013: “Arteriographic Predictability of All-Cause Mortality in POSCH.”

Weill Cornell Medical Center
PUBLIC FORUM: SEARCH FOR NEW MEDICAL SCHOOL DEAN AND VICE PRESIDENT FOR HEALTH SCIENCES

Each candidate will participate in a public forum, providing their 10-year vision for the academic health sciences if chosen as our next Dean & VP, scheduled as follows:

PUBLIC FORUM
Candidate Presentation, Q&A, and Reception
"A Vision for the Academic Health Sciences in 2023"

4:30 - 6:30 p.m., Tuesday, October 15, 2-620 Moos Tower (note time)
4:00 - 6:00 p.m., Thursday, October 17, 1-450 Moos Tower

In order to provide the candidates with adequate time to inform their colleagues of their participation in this search, we will be posting candidate names and vitae the day before their campus visit on the Dean & VP search web site at:
http://ahc.umn.edu/vice-president-search.

Join Us in Celebrating 50 Years of Transplantation

A Black Tie Gala

Friday, October 18, 2013

6:30 P.M. Registration Check-In
7:00 – 10:30 P.M. Dinner & Program
Our first living donor kidney transplant was in 1963 and our first liver transplant program began in 1964. The world’s first simultaneous pancreas-kidney transplant was held here in 1966, which also was the year of the world’s first intestinal transplant. In 2000 the world’s first simultaneous laparoscopic removal of a kidney and partial pancreas was performed at the medical center.

Please join me at a black tie gala celebrating 50 years of transplantation at the Transplant Center of University of Minnesota Medical Center, Fairview. This special event will support the education, research and clinical care missions of our Transplant Center and celebrate the multiple achievements of the last five decades.

Individual, pair and table event tickets are available starting at $200.

Program includes: dinner, live and silent auction, honoring our programs history, along with networking opportunities with physicians, patients, community members and supporters of the Transplant Center. For questions, call or email:
763-548-1313
doug.mroczkowski@eventshows.com

RECOGNITION PROGRAM

Do you see someone working hard in your area and contributing to the department’s success by fulfilling our mission, vision and values? If so, take a moment to nominate this person for an Employee Recognition Award.

Two Employee Recognition Awards will be given out each month—one for staff and one for faculty, fellows, and residents. All Department of Surgery employees can nominate another employee in the department, including the Surgical Administrative Center.

Completed nomination forms should be sent to Michelle Lunden.
