A Black Tie Gala

Friday, October 18, 2013

6:30 P.M.
Registration Check-In

7:00 – 10:30 P.M.
Dinner & Program
Our first living donor kidney transplant was in 1963 and our first liver transplant program began in 1964. The world’s first simultaneous pancreas-kidney transplant was held here in 1966, which also was the year of the world’s first intestinal transplant. In 2000 the world's first simultaneous laparoscopic removal of a kidney and partial pancreas was performed at the medical center.

Please join me at a black tie gala celebrating 50 years of transplantation at the Transplant Center of University of Minnesota Medical Center, Fairview. This special event will support the education, research and clinical care missions of our Transplant Center and celebrate the multiple achievements of the last five decades.

Individual, pair and table event tickets are available starting at $200.

Program includes: dinner, live and silent auction, honoring our programs history, along with networking opportunities with physicians, patients, community members and supporters of the Transplant Center.

**REMININDER**

**Flu Vaccinations**
Flu vaccinations are required by all AHC students who work in clinical areas as well as all credentialed providers at UMMC. Free flu shots are available. [http://www.med.umn.edu/gme/residents/immuncomplreqs/home.html](http://www.med.umn.edu/gme/residents/immuncomplreqs/home.html)

**RECOGNITION PROGRAM**

Do you see someone working hard in your area and contributing to the department’s success by fulfilling our mission, vision and values? If so, take a moment to [nominate](#) this person for an Employee Recognition Award.

Two Employee Recognition Awards will be given out each month—one for staff and one for faculty, fellows, and residents. All Department of Surgery employees can nominate another employee in the department, including the Surgical Administrative Center.

Completed [nomination forms](#) should be sent to [Michelle Lunden](mailto:).
